

For: State and County Offices

Processing Settlement Local Sales in APSS Using Multiple Contract Sales Numbers

Approved by: Deputy Administrator, Farm Programs

1 Overview

A

Background

KCCO assigns contract sales numbers for all local sales. If more than 1 commodity grade type is involved in the local sale, KCCO assigns each commodity grade type a different contract sales number.

When County Offices process settlements as local sales through APSS, a KCCO assigned contract sales numbers must be entered.

B

Purpose

This notice provides instructions to State and County Offices for processing settlements as local sales in APSS when multiple contract sales numbers are involved.

Disposal

January 1, 2000

Distribution

State Offices; State Offices relay to County
Offices

Notice PS-317

2 County Office Action

A

**Local Sales that
Involve Multiple
Contract Sales
Numbers**

Follow this table to process settlements as local sales that involve multiple contract numbers.

IF there is more than 1 contract sales number involved in a settlement as a local sale, and the quantity delivered is...	THEN process the settlement local sale as a...
less than or equal to the outstanding loan quantity	partial settlement for each contract number according to 12-PS, Part 11. Record each contract sales number and the applicable quantity.
greater than the outstanding loan quantity and does not exceed the maximum eligible quantity	full settlement, according to 12-PS, Part 11, and enter only 1 sales contract number. Important: County Offices shall manually list all other contract sales numbers on the “Local Sales Report” which is printed after the settlement local sale is completed in APSS.
